Re: Appreciation letter

Dear Mr President,

We would like to thank you for your commitment and contribution to the development of the University Sports by celebrating the International Day of University Sport (IDUS) on 20 September 2019.

FISU wants to involve university sports people and member organisations in IDUS activities but also to promote FISU's university sport mission and is proud to celebrate this really special day together with its members every year.

Every nation has a different idea of how best to celebrate IDUS 2019 and FISU very much welcomes this.

The celebration of the International Day of University Sport in Kosovo was a good example of an active FISU member. Through the different IDUS activities organised, the Kosovo University Sports Federation contributed the best possible way to University Sports development and sets an excellent example for other members.

Please pass on our personal thanks to all collaborators that were involved in the IDUS celebrations in Kosovo. We are looking forward to cooperating closely with you in the future.

Sincerely,

Oleg MATYTSIN
FISU President
